

Carb Clean

Product Data Sheet | Art.no 26.002

Description

Cleaning agent intended for use on carburetors and other engine parts. It can also be used as a universal degreaser/cleaning agent for removing oil, grease and soot from various surfaces. It also prevents unnecessary attack of polymers and rubbers. It is a powerful solvent and does not leave any residue. Non-corrosive and has a targeted spray jet. Uses: Carburetors, butterfly valves, engine components.

Available in

400ml

Date printed 14-09-2023
