

# Handcleaner Pro

Product Data Sheet | Art.no 25.003

## Description

Very powerful, fresh apple-scented hand cleaner which is kind on skin. Does not contain any alkalis or solvents, and has a cream-like structure with a natural vegetable abrasive agent that does not damage or irritate the skin.

## Available in

600ml

## Application

Excellent for gently removing extreme contaminants from the skin. Removes oil, grease, paint, lacquer, resin, bitumen, adhesives etc.

## Instructions for use

Product can be used with or without water. Take the desired amount and rub until the grime comes off the skin. Rinse carefully with copious amounts of water. Dry with a clean towel. In case of very stubborn dirt, it may be necessary to repeat the process.
